

SYSTEM-C

“A table system to fulfil the conference managers’ requirement for a superior folding table system.”

System-C is equally at home in contemporary and traditional syndicate meeting rooms. We have a CAD layout service available to assist clients with their product selection and specification.

A selection of table top finishes are available and the frames can be finished in a choice of chrome plated mild steel, or a wide selection of epoxy powder coated colours.

Leg configuration on 45cm wide table

Leg configuration on 60cm wide table

Leg configuration on 75cm wide table

Wood laminate with hardwood leading edge

High pressure laminate with black vinyl T-Barb edge

High pressure laminate with bull-nose hardwood lip

Rectangle

SYS.E75	75 x 30cm

(F: Front E: End)

Please specify:

Height: 72cm, 74cm & 76cm

Frame Finish: Chrome plated mild steel. Epoxy powder coated prices available on application

Top Finish: i. Burgess high pressure laminate range with bull-nose hardwood lip (H)

ii. Burgess high pressure laminate range with T-Barb edge (HPL)

iii. Burgess wood laminate with hardwood leading edge (W)

Folding Mechanism

Spring clips ensure legs are retained when folded

Modesty Panel

Detachable modesty panels can be fitted as required

Table Trucks - TTF.C

Tables can be transported easily from room to room on a custom-made table truck

Clip

Corner posts with integral stacking buffers minimise the possibility of stacking damage and incorporate a swivel clip to enable tables to be linked

Made in Britain

We are proud to say that for over half a century we have made all our chairs and tables to exacting standards in our West London factory.

Environmental Policy

As a leading industrial enterprise, we recognise our responsibility to the environment and are committed to achieving best environmental practice.

To this end we actively ensure that the environmental impact all of our materials, processes and products is reduced as much as possible or eliminated. The company is certified to ISO 14001 as well as having membership to 'Club Green', the highly acclaimed initiative run by FIRA.
