

Buffet Cube

Serving up a flexible solution that delivers every time

Buffet Cube is a highly flexible buffet display stand system, comprising folding under frames and detachable tops in either high pressure laminate or toughened glass.

The variety of different frame heights will allow you to create an interesting buffet landscape for your space.

BCU600
60cm (L) x 60cm (W) x 120cm (H)

*Buffet Cubes that require two under frames.

All glass tops must be accompanied by a trolley to ensure safe transportation.
Our Buffet Cube trolley will help you transport your under frames and tops in a safe and easy way allowing you to get the best out of your events.
Please ask for more information on our range of Buffet Cube trolleys.
