

Flair

Image courtesy of Renaissance Barcelona Hotel

Add some flair to the room

Designed by Peter Roth, the Flair is designed for use in all aspects of conferencing from the large congress hall facility to the compact and functional meeting room. The multi-contoured seat shell offers true comfort while maintaining minimum footprint for maximum numbers. The chrome plated frame features a unique flared leg detail, adding to the simple aesthetic and clean lines that give architects and designers flexibility to offer a contemporary solution for all environments.

— 17/1
 Depth 58cm
 Weight 7.7kg
 Stacks up to
 10 high
