

Technical Specification - Centrefold Platform

The Centrefold portable staging system is easy to use, manoeuvre and store. With its smooth open and close action and multiple accessories it is an essential piece of equipment for any hospitality venue. It has compact storage dimensions by virtue of a nesting base frame.

Features include:

- Extruded aluminium rim assembly
- Positive-locking mechanism
- Aluminium rim to allow for integral mounting of a range of accessories
- 12mm high wear resistant, black resin coated plywood sheet as standard
- Maximum loading capacity 750kg/m² evenly distributed
- Options; carpeting, fascia panels, steps, guardrails, linking, skirting and ramps
