

## Technical Specification - SlimLite™ Tables

"SlimLite™ is the lightest aluminium table yet from Burgess". The patented SlimLite™ range of lightweight folding tables are suitable for indoor and outdoor use (*laminated tops to be used for outside use*) and are our lightest table yet.

With a wide choice of either flock or laminate top finishes and a variety of sizes up to 2.4m in length, the SlimLite™ range of banquet tables is a great choice for any hospitality venue.

Features include:

- Welded high tensile aluminium frame and edges
- Patented spring-loaded folding leg system and push release mechanism
- Height: 73.5cm
- Tubular aluminium rim. Depth: Rectangular 6cm, Round 3cm
- 2.5mm laminate, bonded to the aluminium frame
- Highly resistant to corrosion so ideal for outdoor use
- Flush-fit corner pieces are standard on all rectangular tables. The nylon corners add strength, improve corner impact resistance and incorporate a stacking buffer for ease of storage
- Available in a variety of different laminates, including wood finishes and flock
- Tables conform to the recommended EU guidelines for lifting weights in the workplace
- Multi-purpose table trucks are available for easy transport and storage
