

Technical Specification - System-C & Configure-8 Table Trucks

Designed specifically for our System-C and Configure-8 Tables, the Burgess range of Table Trucks provides a simple, efficient means of storage and transportation. The TTFC Table Truck range provides a simple solution for rectangular tables, allowing flat, stacked storage for up to 8 tables and has 4 removable handles with foam sleeves to protect hardwood lipping.

Features include:

- Tubular mild steel construction throughout, with ply boarding where required
- Pewter hammer finish powder coated frame
- Grey non-marking corner buffers
- Swivel and braked castors

Specifications (cm)
