ENRICA

Allow guests to enjoy the comfort and aesthetic of a modern bedroom workspace with the Enrica desk chair. This contemporary piece combines clean lines and curved shapes to create a seamless silhouette that answers all guests' workspace needs in style. Built with durable materials designed to last, this beautiful chair is available with a range of fabrics and base options to match any hotel bedroom decor.

WALSH HIGH BACK & OTTOMAN

The luxury show-stopper of our bedroom collection, the Walsh high back chair is the epitome of sophisticated feature seating. Available fully upholstered or with a showwood shell, Walsh relaxes into any space when paired with its matching Ottoman. Choose from four different base configurations including swivel chrome and wood stained options to match any bedroom interior.

For compact contemporary spaces, the Walsh low back chair is the perfect partner. Offering outstanding cradling comfort through its wide accessible seat, dress up the room through Walsh's many different combinations of bases and fabrics.

Table featured A-Cross AC1 Round

JUNEA ROCKER

Designed by Peter Roth

A modern take on a comfortable classic, the Junea Rocker is an eye-catching novelty statement. Available in a choice of upholstery and base options including Natural, Grey and Wenge, the clean lines of the Junea Rocker make it a smart addition for any space.

Seamless in motion and exceptional in design, the Junea Rocker will fast become a guest go-to for easy, end-of-the-day relaxation.

Designed by Peter Roth

For stand-alone statement seating, the Junea chair adds a stunning aesthetic. Offering generously proportioned comfort thanks to its structured frame, Junea is as at home in a bedroom as a meeting room with a choice of six bases including castors.

JUNEA LOW BACK

JUNEA HIGH BACK

Designed by Peter Roth

A superior seating experience, Junea can be customised in a choice of upholstery. With its appealing high back, this option offers sophisticated appeal, becoming a featured piece for any interior.

Designed by Peter Roth

The modern appeal of the Sentrum chair lies in its simplicity. In full supple leather or Burgess' innovative stretch mesh fabric, the Sentrum seat is available with either a tapered cantilever chrome steel frame for a minimalist light and airy aesthetic, or on castors for easy comfort with the added benefit of optional arms.

| SENTRUM

| TIANI

Designed by Simon Pengelly

Tiani's unique shape perfectly complements contemporary guest interiors. Available for the first time with a new low-wheel castor base, Tiani's ribbed upholstery provides flexible lumbar support for comfortable desk use.

Designed by Peter Roth

An elegantly simple swivel chair, the beauty of CasuElle isn't just its design but the ability to match the room aesthetic through a choice of six different bases. A cost-effective and robust bedroom solution, the four-star wooden base is especially appealing for an on-trend feature chair.

CASUELLE

A flexible choice for contemporary bedroom styling, Ryall boasts a wider seat for enhanced comfort. Available with three different base options including a chrome swivel base, Ryall's open, armless design makes it easily accessible for all guests.

YORATH

Designed to be the feature chair of any room, the Yorath's singular base and low rounded design oozes style and sophistication. With an emphasis on simplicity, Yorath is at home in the most high-end of hospitality bedrooms. The polished 4-star aluminium base is a distinguished finishing touch that complements its unique design.

The Open Concept collections are a modern and minimalistic design solution to suit the lifestyles of all long-stay guests. Create multi-functional rooms that capture the versatility of open-plan living with furniture pieces that enhance the interior design of each room.

Pieces in the collections come with a selection of shelving options and your choice of durable steel frame.

| OPEN CONCEPT | LINE

OPEN CONCEPT | CURVE

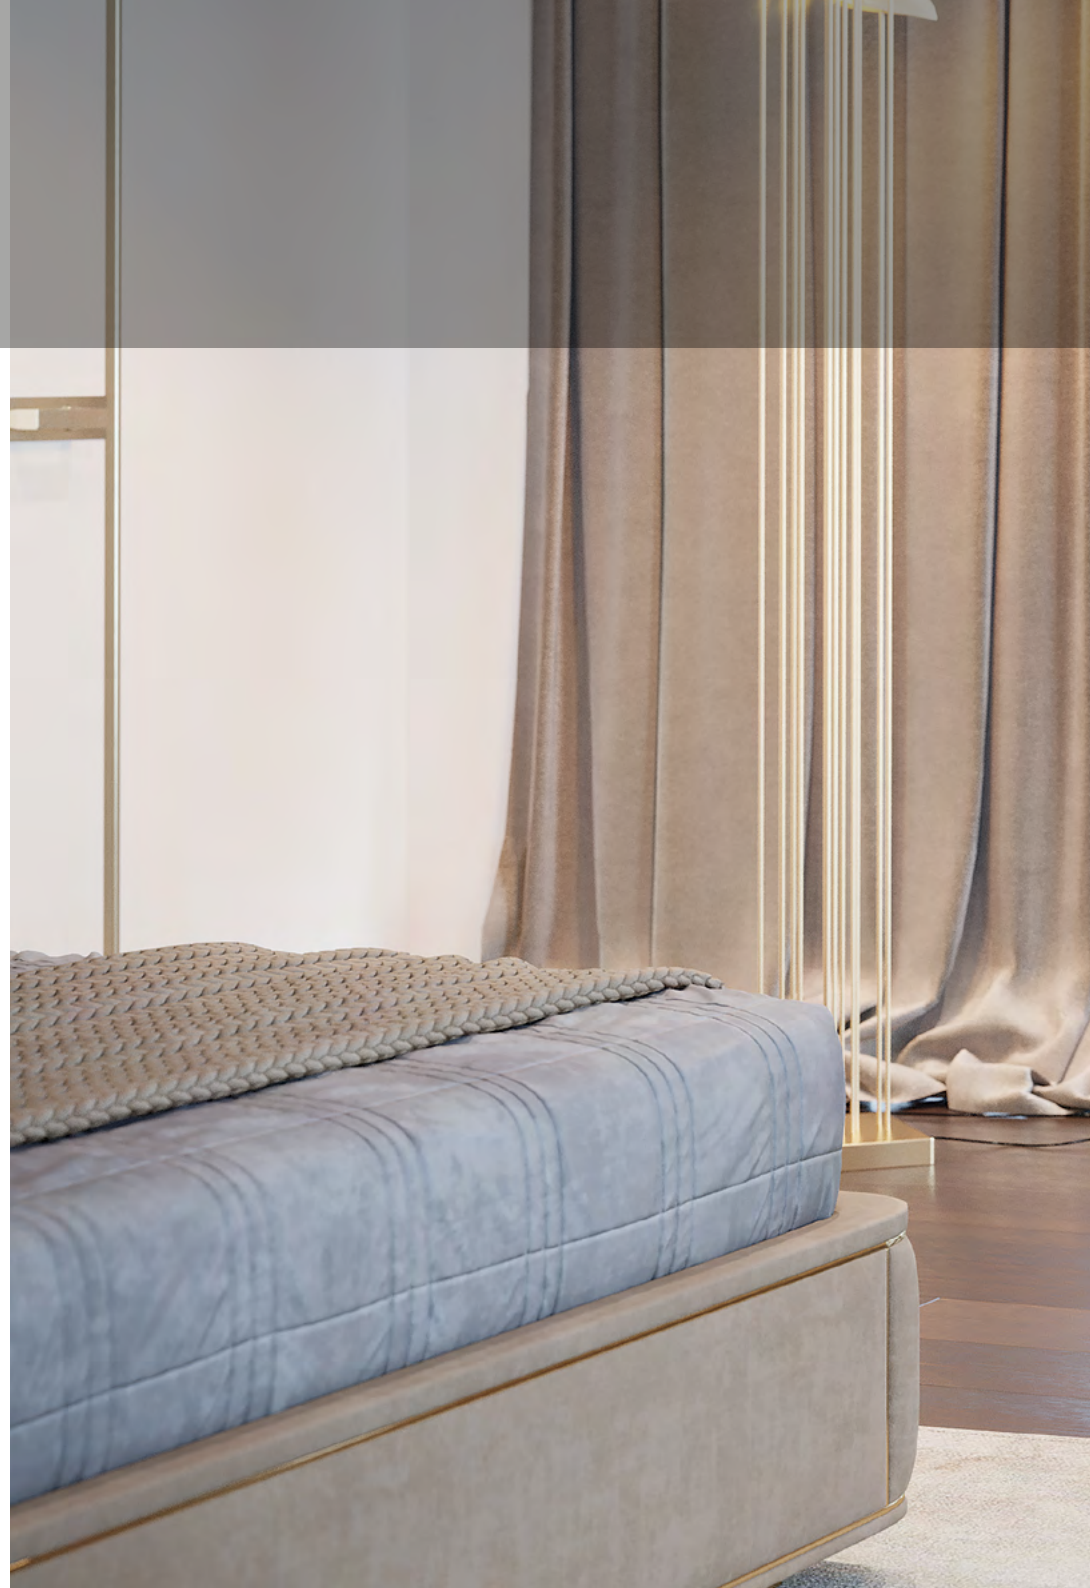

The Open Concept: Curve Collection creates a stylish environment to suit all aspects of student living.

The collection includes a bedside table and a desk, as well as a steel-framed open wardrobe with a hanging rack and various storage shelves. Curved corners provide a modern touch to each piece, resulting in a playful yet professional atmosphere that is ideal for student life.

Designed by Peter Roth

Our Room Service collection is an F&B essential for a premium in-room dining experience. The collection includes our Room Service Trolley, Food Warmer Boxes and either a single or double caddy to keep warmed plates of freshly cooked food at the optimum temperature. With 3 different top shapes and two different colours to choose from, you can create a custom look that complements your hotel design.
