Evosa Congress, an impeccable choice for the most prestigious of venues

The slender, chrome plated steel frame featured in this range makes the Evosa Congress a stylish choice for your space. Available in three model designs, as well as optional, additional arms, this range includes our innovative stacking buffers, allowing you to store them up to 10 high whilst protecting the high shine of the frame. Elevate your space with the Evosa Congress, a new high in outstanding design and quality.
