System-C

A superior folding table system to fulfill conference managers' requirements

System-C is equally at home in contemporary and traditional syndicate meeting rooms. Our CAD layout service is available to all Burgess customers to assist with product selection and specification.

A selection of table top finishes are available and the frames can be finished in a choice of chrome plated mild steel, or a wide selection of epoxy powder coated colours.

MADE IN BRITAIN

—— Rectangle

Model No.	Size	Model No.	Size
SYS.1	120 x 45cm	SYS.6	150 x 60cm
SYS.13	130 x 45cm	SYS.7	180 x 60cm

SYS.F150	150 x 35cm
SYS.F180	180 x 35cm

(F: Front)

—— Folding Modesty Panel (Non-Detachable)

Available on 60cm and 75cm wide rectangle tables, add suffix "FMP" to standard table code, e.g. "SYS9FMP"

—— Please specify

Height:	72cm, 74cm & 76cm
Frame Finish:	Chrome plated mild steel. Epoxy powder coated prices available on application
Top Finish: (all 18mm)	i. Burgess high pressure laminate range with bull-nose hardwood lip (H)
	ii. Burgess high pressure laminate range with T-Barb edge (HPL)
	iii. Burgess wood laminate with hardwood leading edge (W)

—— Key Features

- Available in a wide selection of high pressure laminate finishes with hardwood or plastic T-Barb edges
- Mild steel locking mechanism includes a spring clip to retain the legs when folded
- Tables can be transported easily from room to room on a custom-made table truck
- Corner posts with integral stacking buffers minimise the possibility of stacking damage and incorporate a swivel clip to enable tables to be linked

—— Options

- 150cm half round can be used as a free-standing table or to create a boardroom layout
- 90cm and 120cm half round extension tables are supported by a single cantilever leg and are not free-standing
- Detachable high pressure laminate modesty panels can be fitted as required
- Folding modesty panels are permanently attached to the table and can be folded out or away as required – black texture painted finish (60cm and 75cm width tables only)
- Table available with built-in wheels for ease of use and maneuverability.
