

Walsh High & Low Back

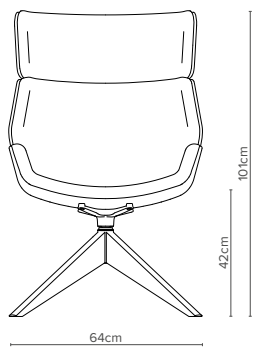

Named after: Kevin Walsh, Machine Shop Manager (1983-Present)

Having started in 1983 as an Apprentice Development Engineer, Kevin Walsh is one of Burgess' longest current serving employees. His namesake chair, the luxury show-stopper of our new bedroom collection, is the epitome of sophisticated feature seating. Available fully upholstered, the Walsh High Back and Low Back demands attention in any space. Choose from two base configurations including wood stained to match any bedroom interior.

Kevin Walsh

Having started in 1983 as an Apprentice Development Engineer, Kevin Walsh, moved on to become Charge Hand in the machine shop. He spent five years in this role before taking on a position as a Development Engineer. Fast forward ten years and his hard work and commitment was recognised further when he became Machine Shop Manager, a role he still holds to date.
