Minimalist styling to complement any room

Designed by Peter Roth, the Evosa is the perfect chair for the most prestigious venues. The slender frame, available with a chrome or painted finish, combined with the option of knitted mesh or an upholstered back, creates a modern chair of outstanding design and quality. The slim, webbed seat and unique hidden back construction provides enduring comfort while maintaining a light weight chair that can be seat stacked for storage. Evosa is available with or without arms to suit your needs.
