

Slimfold™

Chair featured Como 65/6

A perfect match for banqueting

The latest generation of banquet tables, the Slimfold™ range features a strengthened and easy to handle locking mechanism. The robust leg frame is finished in a pewter hammer powder coat and our washable, grey flock coated table top reduces noise and cloth slippage, making it an ideal choice for banquets and dining events.

Slimfold™ table tops are aluminium edged for maximum protection and are available in multiple shapes including round, rectangular and half round, so you can choose the shape to suit your space.
