Who we are

At Burgess Furniture the two things we always keep in mind are our customer's needs and their complete satisfaction.

Our in house design team works really hard to create amazing designs and functional spaces. Great furniture can take your space to another level but sometimes finding exactly what you need is not an easy task.

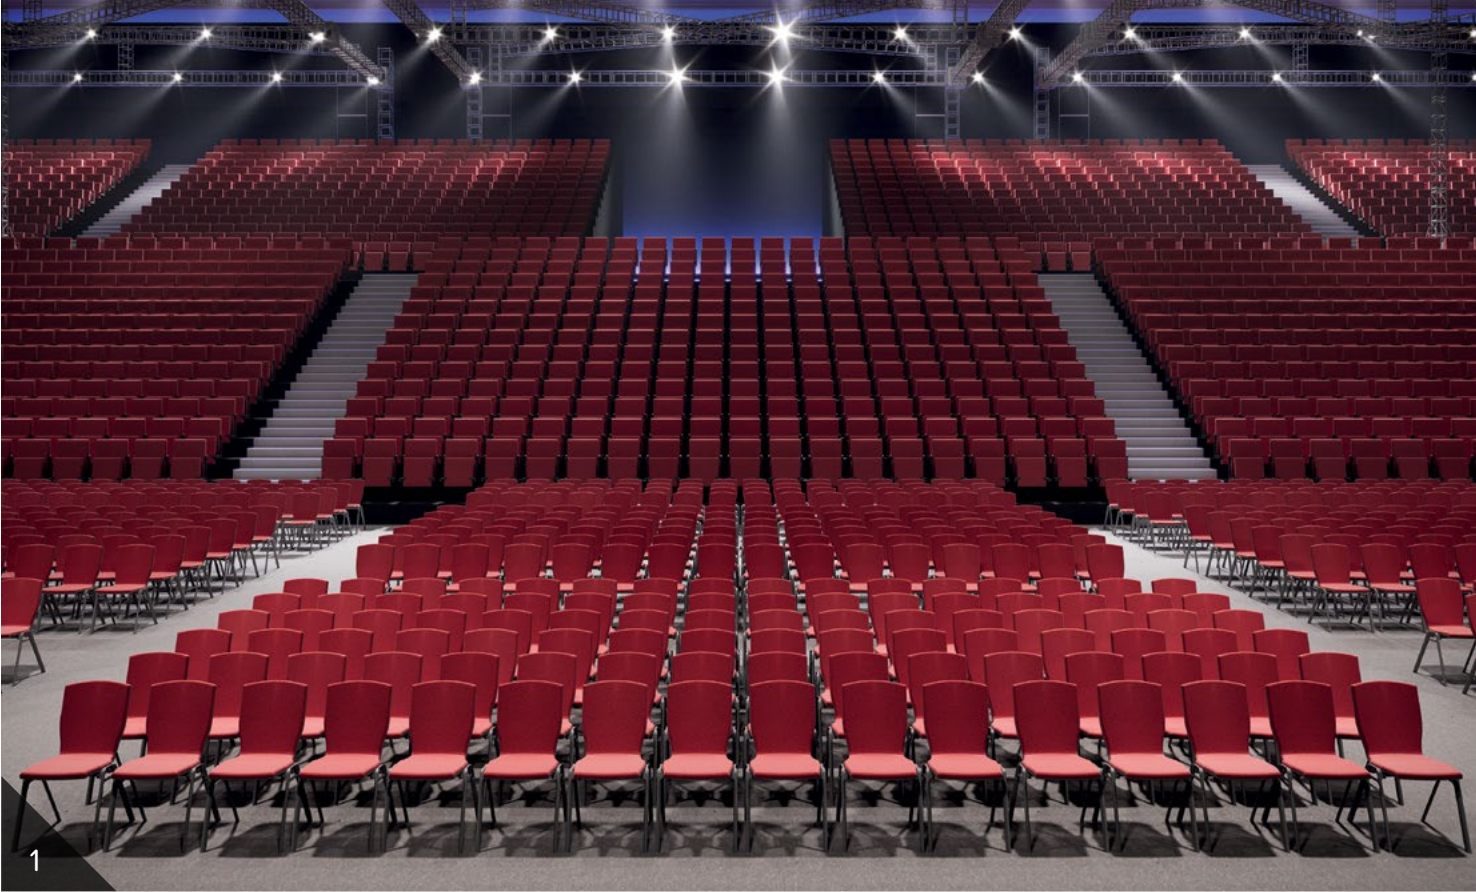

Burgess have been manufacturing the very best quality furniture since 1959 and are proud to offer a truly extensive range of conference, event, meeting room and bedroom furniture for the hospitality market, with products suitable for any venue and budget.

Burgess exports products made in our own London factory to over 50 countries each year, supplying some of the world's most prestigious venues.

Whatever product you choose from the Burgess range you are assured of great design and quality that will never be compromised.
