“A superior folding table system to fulfill conference managers' requirements”

System-C is equally at home in contemporary and traditional syndicate meeting rooms. Our CAD layout service is available to all Burgess customers to assist with product selection and specification.

A selection of table top finishes are available and the frames can be finished in a choice of chrome plated mild steel, or a wide selection of epoxy powder coated colours.

— Rectangle

Model No.	Size	Model No.	Size
SYS.1	120 x 45cm	SYS.6	150 x 60cm

SYS.F180	180 x 35cm

(F: Front)

— Folding Modesty Panel (Non-Detachable)

Available on 60cm and 75cm wide rectangle tables, add suffix "FMP" to standard table code, e.g. "SYS9FMP"

— Key Features

- Available in a wide selection of High Pressure Laminate finishes with Hardwood or Plastic T-Barb edges
- Mild steel locking mechanism includes a spring clip to retain the legs when folded
- Tables can be transported easily from room to room on a custom-made table truck
- Corner posts with integral stacking buffers minimise the possibility of stacking damage and incorporate a swivel clip to enable tables to be linked

— Please specify

Height: 76cm

Frame Finish: Chrome plated mild steel. Epoxy powder coated prices available on application

- Top Finish:**
- Burgess high pressure laminate range with bull-nose hardwood lip (H)
 - Burgess high pressure laminate range with T-Barb edge (HPL)
 - Burgess wood laminate with hardwood leading edge (W)

— Options

- 150cm half round can be used as a free-standing table or to create a boardroom layout
- 90cm and 120cm half round extension tables are supported by a single cantilever leg and are not free-standing
- Detachable High Pressure Laminate Modesty Panels can be fitted as required
- Folding Modesty Panels are permanently attached to the table and can be folded out or away as required – black texture painted finish
