Viram

Named after: Viram Khunti, Paintline Operator (1979-Present)

Forty years ago, Viram joined the Burgess family and ever since he has been a valued member of the business. Sit back and admire the classic and cool aesthetic that his very own chair, Viram, instantly creates. With five different base options, its unique rounded showwood shell is shaped for comfort and style. Opt for the castor base and seat it next to a desk, or pair it with a coffee table as a feature chair. The base options mean there are endless possibilities for the look you want to achieve.
