

Walsh High Back & Ottoman

Named after: Kevin Walsh, Machine Shop Manager (1983-Present)

Having started in 1983 as an Apprentice Development Engineer, Kevin Walsh is one of Burgess' longest serving employees. His namesake chair, the luxury show-stopper of our new bedroom collection, is the epitome of sophisticated feature seating. Available fully upholstered or with a stunning showwood shell, the Walsh High Back demands attention in any space when paired with its matching Ottoman. Choose from four different base configurations including swivel chrome and wood stained to match any bedroom interior.

Kevin Walsh

Having started in 1983 as an Apprentice Development Engineer, Kevin Walsh, moved on to become Charge Hand in the machine shop. He spent five years in this role before taking on a position as a Development Engineer. Fast forward ten years and his hard work and commitment was recognised further when he became Machine Shop Manager, a role he still holds to date.
