# A-Fold<sup>®</sup>

“Be bold. Go A-Fold<sup>®</sup>.”

Why pick elegance over practicality when you can have both in one ultra-stylish folding table?

Designed by Peter Roth, the A-Fold<sup>®</sup> is the latest model by Burgess Furniture. A multifunctional range of tables which offers flexibility and ease of use.

Available in rectangular, round, D-ends and triangular corner sections, the A-fold<sup>®</sup> collection blends great design with structural rigidity and ingenious practical details. Very economic, it will save the end user laundry costs as the table does not require clothing. The under-frame is available in a choice of powder coated finishes and an optional timber leg adds a natural element to tie in with surrounding features and brings a home from home warm feeling to your spaces.
